

FROM DARKNESS TO LIGHT, FROM HOPELESSNESS TO ETERNAL LIFE

2024 Impact Report

A MESSAGE FROM OUR FOUNDER

YOU CONTINUE TO BE A LIGHT

2024 was marked by turmoil, yet God's love has prevailed through NVM's work. Your unwavering support has enabled us to provide vital education, empowerment, and spiritual growth, defying seemingly insurmountable challenges.

Despite gang violence and widespread closures, we've witnessed the resilience of the Haitian community. Your prayers and generosity have opened doors for leadership and youth training, mission trips, and programs focused on evangelism and discipleship. Our team has maintained connection through prayer and teaching, fostering hope amidst instability.

In a year where hope was scarce, your generosity has been a powerful light. We've seen lives transformed, hearts healed, and spirits uplifted, demonstrating God's enduring faithfulness. We are deeply grateful for your commitment to Haiti's future...and wanted to share these impact numbers with you.
